Writing (10 points)

200-250 words

Dear school authorities,
I am writing on the behalf of the Student Committee in our school. We are worried by the looming event, devoted to the Year of the Family in Russia. I ~~was~~ am writing to you to suggest a few ideas ~~for~~ for the event.

The main part would consist of a celebration ~~the~~ party, which would hold a disco or a ball, where students would spend time with their family, and that fully describes the value of having good commitment among family members. Having fun with close ones is the best way to celebrate the Year of the Family. The main event could take place in our school's gym or cafeteria. Other events, contributing to this, might be some exhibitions of students' paintings or hand-crafts, dedicated to the main theme.

Speaking of the main guest on the attire, our school's principal ~~was~~ could be taking part in the celebration, with a saying on the main topic. We have asked whether he would want to take part or not. ~~His answer was~~ we have been told to set him up as the main person there. The main participants are students.

The main goal we are trying to attain is a friendly, heart-warming atmosphere with mutual connections between all the participating families, just as a one big family.

We are looking forward to your answer. Whether having any questions, please contact me or our head member of the Student Committee.

Best regards,
Sofia.
