Wild West town in trouble?

Once upon a time, in a small town of the wild west, there appeared w.d, a robber. A terrible and violent villain that threatened to kill the bank staff with an armed gun if they don't give him all money they had. ~~staff~~ That was the one of the biggest problem in the town. But, fortunately, there was a great sheriff. Unfortunately, the robber was too fast to catch, and the robber sheriff didn't have any help. The friends wanted to be his helpers and asked him if he allows them to be. The man was hesitating a lot but eventually let them due to his lack of helpers.

The next time the robber was in the bank, the boys were waiting for him outside with a tied to the branches and strong rope for him to trip over it. So when the robber striked out of the bank he fell down with humiliation. The sheriff that was watching the whole scene approached the villain fast and immediately. He got him a pair of handcuffs and made sure the robber was coming to a prison. Now the town could rest peacefully. 189
